(5) In answering the Dewans query about the liquidation of the previous loan I may as well give a short history of the Matt affairs of the last half a century or So.

The earlier period about which no records are said to be forthcoming is dealt with in the following Extract from Mr Ricketts letter no 414 of 24 July 1876 :—

Ag A

"It having come to the notice of the Chief Commissioner so far back as 1875 that the Jodi and Inam villages of the Matt in question had been alienated by mortgage or otherwise by the presiding Guru, he referred the matter for the opinion of the then Judges of the Huzur Adalat Court. As the latter were of opinion that the Guru's action in this affair was unauthorized since the property belonged to a Charitable institution the Chief ~~Court &c~~ Commr directed the restoration of the villages to the Matt.

The Creditors were accordingly

GPB—55,000—27-4-08

made to give up the General properties mortgaged to them and left to seek their remedy against the guru

From this time until the property came to govt management ie in 1862 the same was enjoyed by the guru

" In the meantime the creditors of the Matt filed suits & obtained decrees against the guru as head of the Matt.

" In 1862 one of the decree holders applying for the incarceration of the defendant (guru) the latter sent in an urzee to the Superintendent of the late Bangalore Division District requesting him to take up the management of the villages and to satisfy the creditors out of their proceeds after making such annual allowances to him as the Superintendent might think fit.

" The above having been brought to the notice of the then Officiating Judicial Commissioner Colonel Dobbs he in Communication with the Chief Commissioner accepted the guru's proposal and ordered that the property

should be placed under Govt. management which was accordingly done.

"Just at this time there having been two gurus to the Matt one actually in charge of it and the other receiving an allowance from him of Rs 360/- per annum for his maintenance, Rs 1500 was annually directed to be paid for their support out of the proceeds of the estate, the remainder being rateably distributed among the Matt creditors. As the latter died shortly afterwards the allowance of Rs 360 made to him was directed to be paid to the Survivor

"From the above it will be seen that the manggement of the property was not undertaken by Govt under any particular terms but only under the implied condition that the same should be restored to the Matt after the liquidation of the debt."

The following Extracts from letter No. 1194 C/32 to of 2-7-1909 to the Foreign Secretary to the Govt.

of India give some more information :—

" Prior to the year 1862 the predecessors of the present guruor Head of the Matt on the Security of the Estates which are held on Jodi or reduced assessment, contracted debts to a very consi- derable amount and as these had outgrown the means of the Matt to discharge them and the revenues of the Matt were thus inadequate to fulfil the intentions for which the endowments had been originally granted the late Chief Commissioner Mr. Bowring decided in that year that the Matt estates should be placed under Govt. management until such time as the debts were liquidated. The guru was allowed Rs 1500 per annum for the current expenses of the Matt and the remainder of the income of the Matt property was applied towards liquidation of the debts.

This arrangement continued for two years when the Commission of the Nandidroog Dn entred into an agreement with the Creditors of the Matt by which it was arranged that the management of the Matt estates should be undertaken by one of their number Annaji Row, on Conditions which provided for the annual payment of a dividend from the net income of those estates. Owing to the failure of Annaji Row to carry out his engagement for the past year the Contract has now been revoked and the management of the estates has again devolved upon the District Officers".

7) In this letter a recommendation was made to the Govt of India for Sanction of a loan of Rs 10,000 to the Matt from the Muzrai Surplus Fund at 4% per annum in order to pay off the balance due to the Creditors who had agreed to receive in full satisfaction

of their claim half the amount found to be due. It was added that for the repayment of this loan the Matt estates should continue as heretofore under the management of the District Offices until it is wholly discharged.

The Govt of India in their letter No 1527 of 18 April 1877 Sanctioned this. The creditors were all paid off and in the year 1885 under Govt. order No 6094/479 of 30 January 1885 the Estates were restored to the Matt In this order it is said that the balance due by the Matt to Govt should be recovered This must have been done. The file of 1885 does not appear to be available.

8) The Matt did not manage their properties well. Loans to the extent of Rs 30000 were contracted and Govt help was again asked for in 1892. In this connection the Deputy Commissioner reported thus:— The Guru of the —

The Guru is willing to mortgage the above properties to the Govt and transfer the management of the villages & other lands to it. If the Govt is prepared I shall proceed to satisfy myself as to the worth & safety of the Security and submit a further report."

In reply he was informed thus:—

"With reference to your letter No 197 of the 23rd instant enquiring whether the Govt will grant a loan of Rs 30,000 to the Guru of the Swaganga Matt as requested by him on the mortgage of the Inam villages belonging to this Matt I am

directed to observe that the Govt may favorably consider the Guru's request for a loan if the securities offered be adequate and the arrangements proposed for its repayment are found satisfactory.----

(D) Later on the Deputy Commr reported that the Guru did not appear to be keen about the loan and so Govt in their Order No. C 17 of 15th Sept 1892 rejected the Matt's application remarking thus:- "It is obvious that the Govt will not give any advances to enable the Matt to discharge its debts without proof of their bona fide character; and the Matt is feared is unable to adduce such proof."

(D) In the meantime the subject of mismanagement of property seems to have been referred to at the Representative Assembly meeting also in Oct-Nov 1892. After Correspondence with the Swami the management of the Matt

Matt estates was assumed by Govt. and the Swami was given an allowance of Rs 100 a month. The creditors of the Matt requested Govt. to pay them and were told that they should look to the Swamy for payment. Later on at the urgent request of the Swamy the creditors who had agreed to be satisfied with half their dues were paid from the accumulated savings. For some time the Matt funds accumulated in the hands of Govt. [These savings have since been spent on the construction of the new Matt and other useful purposes]. Then the Swami requested that the allowance to him might be enhanced. This was nothing but fair and was complied with in Govt. orders no 1860-1 dy 27 Nov 1900 the Swami being requested to furnish a written assurance to the effect that he would not contract debts on any account

whatever. I do not know if such assurance has been furnished; but there can be no doubt that it has not been regarded as of much value as the Swami has now contracted debts to the extent of Rs 60000 for Sarada Prathishta. It will thus be seen that the Matt estates are now under Govt. management not because on account of any loan advanced to the Swami but because the management by Govt. caused him much trouble.

12) As regards the Sarada Prathishta itself it was anticipated that the Swami might incur expenditure lavishly and so in the Govt order sanctioning a Govt grant of Rs 7500, economy was advised. This however has proved of no avail

13) The Swamy now proposed that he may be advanced Rs 60000 for discharging his debts, that of the amount of Rs 54 now being paid to him out of the

income of the Matt property, Rs 1490/- only. It may hereafter continued, Rs 4000 being appropriated towards the liquidation of the loan Nothing is said about the payment of any interest It will be seen that in 1877, 4 p.c interest was charged. There is no Municipal institution now that has so large a sum as Rs 60,000 uninvested. We may have to sell Govt Pro: notes at a discount, and we cannot lend Temple money to the Matt without interest If any other fund should be available I can have nothing to say about that

After the question of interest is settled the next question will be whether the matt property can be retained as security for repayment of the loan. This being Devadaya, such a transaction cannot be entered into; but however it appears to have been entered into in 1877 & to have been contemplated in 1892. Recently in connection with the Bellale chattram His Highness has been pleased to order thus: —

I believe there is a distinction between obtaining or retaining Devadaya lands as security for repayment of a loan to Swt. and taking the management of Devadaya lands for some justifiable cause and out of the savings pay off creditors The latter was done in 1896 in the case of this Matt and is now being done in the case of the Sri Vyasarayaswami Matt. Instead of the Swami wanting a loan in a lump sum if he requested us to pay Rs 4000 to his creditors every year instead of to him I believe we might comply with it. In that case the Devadaya property would be no security for any debt; & the Swami who is to maintain himself from the income of the property & liquidate his debts out of earnings during his tours will be maintaining himself from the latter and repaying his debts from the former

Whether Rs 4000 will be available for liquidation of the debt may also be considered It will be seen from Govt. Pro: no 1860-1 of 27 Nov 1904 that the income from the property is estimated to be about Rs 8000 & that an expenditure of Rs 6878-8-1 has been provided for. I have reason to think that the charges for payment of hotgi & allowance to village servants and Taluk gumastas which together may amount to about 10% of the collections or ~~Rs 800~~ Rs 800 has not been provided for in the Sanctioned scale of expenditure. The question of revising this scale is engaging my attention and I have called for information from Amildars. ~~Soon~~ Even after this sum is provided for there will remain a Saving of Rs 300/- out of the estimated income. If in any year the collections should fall off we may pay to the Math a

a smaller sum than ~~or we may~~
Rs 1490 or we may
appropriate towards the debt a
smaller sum than Rs 4000-
(8) After all this is not a matter
of much importance as it will
only affect the period of the
liquidation of the loan. If
Rs 4000 should be available
each year and no interest is
to be paid the debt will be
liquidated in 15 years. If
a smaller sum should be
available, the debt will be
liquidated in a proportionately
longer period.) The Swami has
also another prayer and wants
a substantial grant for the
Sarada Temple. It is not for
me to say ~~that~~ if the finances
of the State can bear a recurring
charge of about Rs 20 or 25
a month [I do not think if we

this] I can only say that
the charge can be met by no

It is difficult to approve of the extravagant expenditure incurred on the ~~event~~ ceremony of the Pratishtha in Swaganga. The Matha had no surplus money to spend, and it was not ~~to~~ without warning that it would be extremely unwise to get into debt on this account, especially after the liberal grant made by Government. I have therefore no sympathy for it in the difficulty it has brought on itself.

and standing of the Guru, and in consideration of the fact that the bulk of the money was spent in a (mistaken) sense of charity and liberality towards the poor, to a large extent.

There would be nothing wrong in declining to go to the rescue at present altogether But if His Highness should be inclined to view the matter in a favourable light, we may then take stock of the property and advance as much as will be likely to be liquidated with interest at 4 or 5 p.c. in about 20 or 25 years.

I may perhaps add that the expenditure is chiefly of a kind which a Court will pass as beneficial to the institution. Therefore it will not be proper to charge

2. The notes of the Huzrai Superinterdent and the Second Councillor are in the file.

3. The debt has not been incurred in charity or feeding the poor as has been very often supposed. It has been the result of unproductive and uncalled for expenditure of a kind which Civil Courts (as observed by the Second Councillor,) will not recognize as binding on the institution. It seems undesirable to lock up Government funds on unstable security. It seems to be the less necessary in view of the large income which the Swami must have secured by his travels in Southern and Northern India.

4. 2 Applications from Mr. Scovell and for Bangalore Fruit Syndicate (for loans respectively of

Rs. 12,000 and Rs. 30,000) have been refused.

This must be definitely ascertained

There does not seem to have been any resumed grant subsequent to the Inam settlement at which certain Ready money Inams (both personal & Swadaya) were resumed, and a printed list thereof is put up for perusal. It is possible that several of these Inams have been regranted on finding that the institutions concerned have been renovated & worship restored therein. If a list of such institutions is reqd, one can be prepared from the Ready money Inam Register. If any resumed grant has to be renewed in favor of the Vaisada temple out of this Register, even then it will be a fresh grant necessitating an addl provision in the Muzrai budget.

The resumption must have been recent, & grant will be continuing in the Muzrai Budget. It is only allotment of this kind for the Dept for 1911-12

Of G.O conveyed in the Vijnanaposha Patrike by No. 30 by 6 7 11 (Sl. No 10) declining to grant the loan asked for.

The note regarding lapsed grant ordered to be submitted is being prepared, and will be submitted soon.—

Sl. No. 12 being the Srimukha from the Sri Swamijala of the matt praying for the reconsideration of Govt. order declining to grant the loan of Rs 60,000 applied for by him is subt. for orders. The Swamijala says that in addn to Rs 4000 per year available for adjustment of this loan from the matt properties now under Govt. management, he would pay Rs 500 per month, or 6000 Rs per year towards the loan i.e 10,000 Rs per year at this rate the loan will be adjusted in 6 years.
He prays that the loan may be granted either free of interest or at an Easy rate of interest.

The Swamijala represents that he is very hard pressed by creditors for repayment of the Amts borrowed from them at usurious rate of interest and the anxiety caused by this debt is such as to bring his life itself into Jeopardy.

My dear Mr. Ramaswamaya,

Your D.O. of the 28th April last. In this Office letter No.104 dated 12th September 1910 to the Secretary to Government Revenue & General Departments, I see that it was reported that there was only a small sum of Rupees 5-11-0 which had lapsed and which was available for the Sri Ramadevaru temple in the Tumkur Extension. In Government Order No.2078-80/Muz: 152-10-4 dated 17th February 1911, this lapsed grant was transferred to the above temple. I do not think that there is any other lapsed grant available now in this District for the use of the Sivaganga temple.

Yours sincerely,

H. Shamanna Rao.
